

The Premed Projects, UK

Premed Projects UK has announced two exceptional opportunities for **students aged 14-18** to gain **essential medical work experience**, a crucial step for those considering careers in medicine.

They have a summer camp taking place in London during July and August 2025 and a **free online live work experience** session for all students designed to introduce them to medicine complete with a certificate for their portfolios.

1. In-Person Medical Work Experience Summer Camp in London, United Kingdom

- **When:** July & August 2025 (School Holidays)
- **Where:** London Hospitals (Accommodation Provided)
- **Who:** Students aged 14-18 who are interested in careers in medicine
- **What:** In person medicine work experience including visits to Dissection rooms, Universities and Hospitals in London fully supported by an extensive staff team and attended by thousands of students from all over the world.
- **How:** Students can view all details of the course [here](#)

2. Emergency Medicine Online Course

- **When:** Sunday January 19th 2025
- **Where:** Online
- **Who:** Students aged 14-18 who are interested in careers in medicine
- **What:** Led by doctors, live and interactive work experience through interactive real patient case studies.
- **How:** Students can view all details of the course [here](#)

Both courses are designed to address the challenge of securing meaningful medical work experience, providing valuable insights for university applications and interviews for those students that might be considering careers in medicine.
