# Re-Engineered

## Designing better engineering solutions

Imagine,  
redesign  
&  
create  
engineering  
solutions  
using CAD  
& FEA  
Analysis  
software.

Workshop Instructor  
*Prof. Harpreet Singh Bedi*

Takeaways:

- ✓ *Understanding and applying Mechanical Engineering concepts for better design*
- ✓ *Hands-on experience on CAD (Design) and FEA (Analysis)*

*Venue: CAD Lab*  
*Date: 23rd Dec 2024*  
*Time: 9 am – 12 pm*

For any queries:  +971 527996120 or  [mhbehan@dubai.bits-pilani.ac.in](mailto:mhbehan@dubai.bits-pilani.ac.in)

## Department Electrical & Electronics Engineering

BPDC Organizes an event

on

**“Secure World: Intelligent Surveillance and Recognition System”**

**On Tuesday, 23 December 2024, 1.00 PM to 04.00 PM**

**For School Students**

**Takeaways:**

- Learn the importance of security
- Hands-on with building surveillance system

# Unravelling the Secret of Life

## Investigating DNA

*Learn the facets of Integrative Modelling – the science of integrating experimental and computational data in Biology to study structure and function of Biomolecules*

*Register*

<https://forms.gle/VbkkKeBKvyhktgQL8>

**Workshop Instructors:**  
***Prof. Pallab Sanpui, Prof. Debostuti Ghoshdastidar,  
Prof. Trupti Swarup Gokhale***

Takeaways:

- ✓ *In vitro* isolation, identification and estimation of DNA
- ✓ *In silico* modelling and visualization of DNA

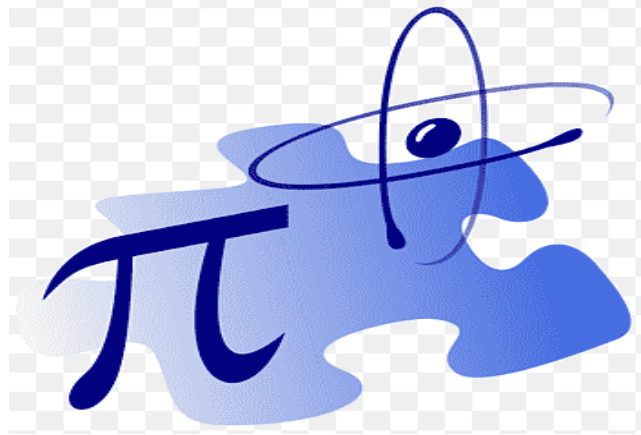

*Venue: #307,  
Biology Laboratory*

*Date: 24th Dec 2024*

*Time: 9 am – 12 pm*

For any queries:  +971 561661433 or  [debostuti@dubai.bits-pilani.ac.in](mailto:debostuti@dubai.bits-pilani.ac.in)

Department Of General Sciences and  
Department of Management Studies

BPDC Organizes an event on

“Bridging STEM and Management:  
Showcasing Skills to Inspire Future  
Leaders”

On Tuesday, 24 December 2024, 1.00 PM to 04.00 PM

For School Students
