School:

Delhi Private School Dubai is a private, co-educational institution established in 2003 for the diverse, expatriate community in the UAE. The school is recognized and approved by the Ministry of Education, Government of UAE and is affiliated to the Central Board of Secondary Education, New Delhi, India.

The school is located in The Gardens, Jebel Ali, Dubai. The campus is built on 6.83 acres and provides state-of-the art facilities to offer international holistic experience for students.

At present, the student strength is approximately 3,750.

The school offers a holistic learning programme for students from KG I to XII. The CBSE curriculum has been aligned, modified and enhanced creatively in line with the vision of the school and the requirements of the UAE.

DPS Dubai is an inclusive school that welcomes children from all backgrounds and abilities. The DPS motto of “Service Before Self” is the inspiration guiding our value-based curriculum that emphasizes empathy, responsibility and caring for others. Students are motivated to be responsible global citizens and sensitized to issues such as environmental conservation, awareness, and respect for other cultures. The school strongly advocates integration by encouraging an understanding of Emirati values, culture, and aspirations.

DPS Dubai promotes academic excellence to meet the challenging demands of a competitive, international environment. The personalized need of each student is at the heart of the child-centered curriculum. Learning is experiential and a love for knowledge is encouraged among students to enable lifelong learning in today’s dynamic world. Research, innovation, and creativity help foster intellectual fulfillment.

The holistic approach to education is reflected in the co- scholastic programme of sports, debates, quizzes as well as artistic pursuits. Confidence building and leadership skills are encouraged through innovative programmes. Spiritual and moral growth is enhanced through life-skills workshops and everyday pastoral care.

Self-reflection and goal setting are encouraged for greater focus and result in thoughtful career choices. The ethical use of technology for collaboration and research is a hallmark of the curriculum.

The community and parents are considered important stakeholders in creating a harmonious system and DPS Dubai encourages their active participation to help create a vibrant school.

(Recognized and Approved by the Ministry of Education, Dubai, U.A.E. and Affiliated to the Central Board of Secondary Education, New Delhi, India)

Vision:

We aspire to be a happy school, where all students are facilitated to be the best versions of themselves

Mission:

We at DPS Dubai zealously promote a global curriculum:

- **Academic Excellence**-by encouraging intellectual curiosity, sustained hard work, rational and critical thinking, independent learning, and innovative solutions.
- **Actualization of Talent**-by providing opportunities for the development of multiple intelligences be it in sports, arts, or intellectual pursuits.
- **Global Citizenship**-by educating students to be forward thinking and committed to celebrating diversity; skilled at ethically using technology for collaboration research; with a clear awareness of world issues such as environment, peace, tolerance, and abiding commitment to be proactive in making a better world. – fostering integration by actively advocating Emirati values, culture, and aspirations.
- **Pastoral Care**-by providing emotional and spiritual support, leadership programs, life skills workshops, confidence building opportunities, sterling lifelong values with a deep commitment to be an inclusive school.

The Vision and Mission Statement is the lodestar for our extensive school program:

Academic Excellence is actively promoted to meet the challenging demands of a competitive and international environment. The curriculum is transacted in accordance with international *Best Practices*, with excellent outcomes both in the Indian CBSE Board examination and in international benchmarking tests such as PISA, TIMSS, PIRLS. Differentiation ensures that the curriculum is child-centered and empowers every child.

Co-curricular activities go hand in hand with academics at DPS Dubai to develop wholesome personality rich in values, culture, and tolerance, along with robust physical and mental capabilities. The comprehensive approach to education is reflected in the co-curricular program of sports, games, debates, quizzes as well as artistic pursuits and community service.

Sports Programme: Physical education is regarded as crucial to the healthy development of every student. Robust training is imparted in athletics and sports through all phases of the school, with a high level of participation at the interschool and national level.

Global Citizenship: At DPS Dubai, students actively engage in Environment Drives including e-waste collection, sustainability workshops, clean-up drives, and tree plantation activities to promote environmental responsibility. Through Seva Sankalp, they contribute to the community by supporting charities, fetes, and walkathons for social causes. Our clubs foster well-rounded development, offering opportunities such as AesTheatrics, Cipher, Spectrum, Stratupedia, Ennovation App Inventor, Design & Technology, HUES, Showstopper, and Orchestra, helping students enhance creativity, leadership, and collaboration.

DPS Dubai offers a variety of activities that support students' physical, creative, and intellectual development. Through sports, arts, and skill-based programmes, students are encouraged to explore their interests, build confidence, and develop essential life skills. Opportunities such as Model United Nations (MUN) and TEDx further nurture leadership, critical thinking, and global awareness among students.

Pastoral Care: The student's emotional quotient is enhanced through Life Skills Programs which integrate a multitude of learning experiences through workshops, career fairs, counseling, and motivational talks by renowned speakers. Confidence building and leadership are two key elements that are encouraged.

CURRICULUM

CURRICULUM OVERVIEW:

DPS Dubai follows the CBSE curriculum that is enhanced to meet the challenging demands of a competitive international environment and the Vision of the UAE.

CBSE Requirements

The school is compliant with all CBSE requirements, and the curriculum is reviewed periodically to include changes that are stipulated by the Board.

International Enhancement

- The balanced curriculum provides opportunities for the development of future fluencies.
- Provision and accommodation are made for SEND and Gifted students.
- There is a well-developed co-curricular program to foster leadership, resilience, empathy and responsibility.
- A wide choice of clubs and sports activities encourages students to make interest-based choices.
- A major thrust is given to innovation via Design Thinking and other innovative programs.
- Activities to develop DUKS (Disposition, Understanding, Knowledge, Skills) are mapped out in the lessons.
- Curriculum transition is addressed by periodic reviews, ensuring age-appropriate skills.

Alignment with UAE Priorities

- Compliance requirements for Arabic, Islamic Education & MSCS are fully met.
- The curriculum has been modified for success in International Benchmarking Tests (TIMSS, PISA, ASSET) in view of

the National Agenda of UAE.

Choices

- Exemption/optional subjects are available for students with special needs.
- Students are offered language choices from Phase II (Grade IV onwards).
- In Grades XI and XII a wide range of choices in subjects enables students to focus on their career choices.
- Students are offered skill subjects including Artificial Intelligence, Financial Management, and Home Science.
